CLASS: 8/

.....LOWER SECONDARY SCHOOL
2023-2024 EDUCATIONAL YEAR
2. TERM 2. EXAM OF MAIN ENGLISH

A) E8.6.R1 Read the text and answer the questions. (2x10=20 p.)

I'm Tom. I am an adrenaline seeker and I love adventure sports. My favorite sports are air sports, especially skydiving and hang gliding. I go skydiving every Sunday morning with my flight club. You need some special equipment to practice skydiving; you need a parachute, a helmet to protect your head, and an altimeter. Finally, I take a rest on the weekend evenings to watch movies with my sister.

1)What kind of sports does Tom like? Air sports or water sports?

.....

2) Does Tom do any extreme sports on Saturdays?

.....

B) E8.8.R1 Read the text and write the names of the family members. (4x5=20 p.)

Hi! I'm Kevin. I live with my family and we share all the duties. My father, Mr. Miller, is in charge of the garden; he mows the lawn. My mother, Sandra, is responsible for the kitchen; she washes the dishes. My sister, Mary, has the responsibility of the floors; she vacuums the floor every Saturday. My duty is to take the garbage out every evening.

.....

.....

.....

.....

C) E8.9.R1 Read the text and answer the questions. (2x10=20 p.)

Nikola Tesla was born on the 10th of July 1856. He was a very famous inventor and electrical engineer. He conducted many experiments in his lab and he invented the alternating current (AC) system. He changed the world. Today, scientists are still working very hard in their labs like Tesla. They are conducting important research and examining new devices because they want to develop new technologies for a better life.

1)What did Nikola Tesla invent to change the world?

.....

2)What are the scientists doing in the labs nowadays?

.....

D) E8.8.R1 Read the dialogue and answer the questions. (4x5=20 p.)

Kevin: Mom, can I go out with my friends?

Mom: Did you finish your responsibilities, Kevin?

Kevin: I took the garbage out, but I didn't vacuum the floor. I am very tired.

Mom: I'm sorry, but you must finish your chores first. Your sister Mary is already mopping the floor. We must help each other to keep the house tidy.

Kevin: Okay, mom. I will finish it in ten minutes.

1) Why does Kevin's mother refuse him at first?

.....

2) What is Mary doing to help her mother right now?

.....

3) Which chore did Kevin already finish?

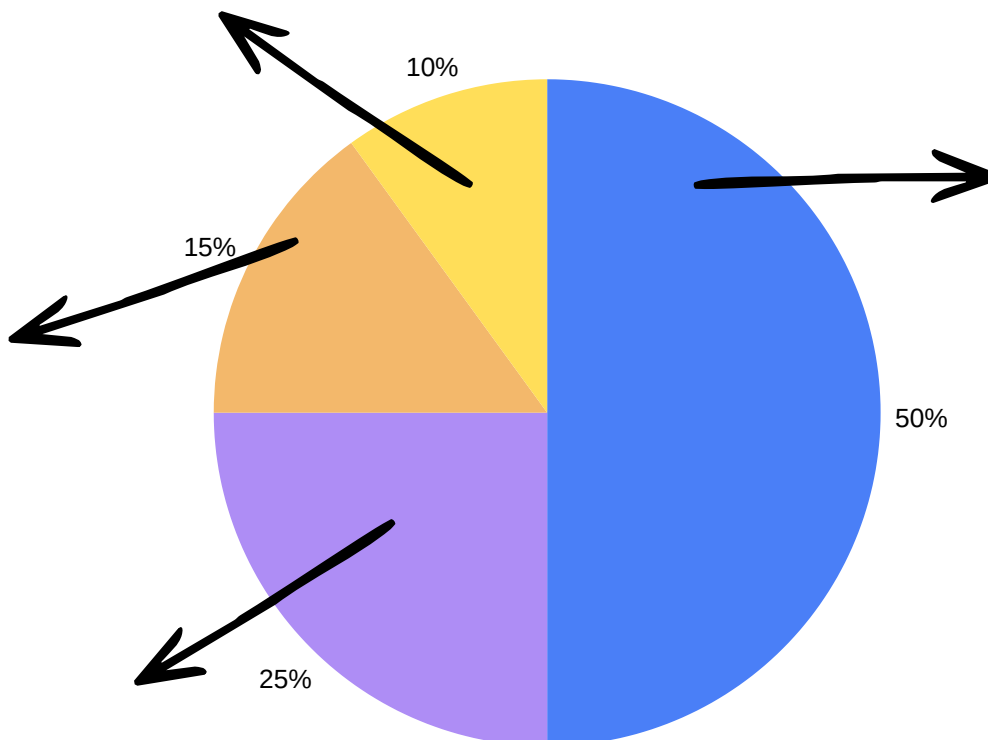

.....

4) Does Kevin like doing his chores today? Why?

.....

E) E8.7.R1 Read the text and complete the chart by writing city names. (4x5=20 p.)

Many tourists visit Antalya for their holidays. They can stay in a seaside resort or a comfortable hotel. Fifty percent of people prefer Antalya because it is hot and sunny. Twenty-five percent of people prefer Nevşehir because it has fairy chimneys and historical places. Fifteen percent of people like Istanbul to see the Bosphorus. Ten percent of people prefer Trabzon because it is green and cool.

Answer Key

A) E8.6.R1 Read the text and answer the questions. (2x10=20 p.)

I'm Tom. I am an adrenaline seeker and I love adventure sports. My favorite sports are air sports, especially skydiving and hang gliding. I go skydiving every Sunday morning with my flight club. You need some special equipment to practice skydiving; you need a parachute, a helmet to protect your head, and an altimeter. Finally, I take a rest on the weekend evenings to watch movies with my sister.

- 1) What kind of sports does Tom like? Air sports or water sports? **Tom likes air sports.**
- 2) Does Tom do any extreme sports on Saturdays? **No, he doesn't.**

B) E8.8.R1 Read the text and write the names of the family members. (4x5=20 p.)

Hi! I'm Kevin. I live with my family and we share all the duties. My father, Mr. Miller, is in charge of the garden; he mows the lawn. My mother, Sandra, is responsible for the kitchen; she washes the dishes. My sister, Mary, has the responsibility of the floors; she vacuums the floor every Saturday. My duty is to take the garbage out every evening.

Sandra

Mary

Mr. Miller

Kevin

C) E8.9.R1 Read the text and answer the questions. (2x10=20 p.)

Nikola Tesla was born on the 10th of July 1856. He was a very famous inventor and electrical engineer. He conducted many experiments in his lab and he invented the alternating current (AC) system. He changed the world. Today, scientists are still working very hard in their labs like Tesla. They are conducting important research and examining new devices because they want to develop new technologies for a better life.

- 1) What did Nikola Tesla invent to change the world? **He invented the alternating current system.**
- 2) What are the scientists doing in the labs nowadays? **They are conducting important research and examining new devices in the labs nowadays.**

D) E8.8.R1 Read the dialogue and answer the questions. (4x5=20 p.)

Kevin: Mom, can I go out with my friends?

Mom: Did you finish your responsibilities, Kevin?

Kevin: I took the garbage out, but I didn't vacuum the floor. I am very tired.

Mom: I'm sorry, but you must finish your chores first. Your sister Mary is already mopping the floor. We must help each other to keep the house tidy.

Kevin: Okay, mom. I will finish it in ten minutes.

1) Why does Kevin's mother refuse him at first? **Because Kevin didn't finish his responsibilities.**

2) What is Mary doing to help her mother right now? **She is mopping the floor.**

3) Which chore did Kevin already finish? **He didn't vacuum the floor.**

4) Does Kevin like doing his chores today? Why? **No, he doesn't because he is very tired.**

E) E8.7.R1 Read the text and complete the chart by writing city names. (4x5=20 p.)

Many tourists visit Antalya for their holidays. They can stay in a seaside resort or a comfortable hotel. Fifty percent of people prefer Antalya because it is hot and sunny. Twenty-five percent of people prefer Nevşehir because it has fairy chimneys and historical places. Fifteen percent of people like Istanbul to see the Bosphorus.
