#### Odd one out

Circle the word that does NOT belong. Write why.

1. savanna — jungle — forest — **ocean**  
Because: Three of them are on land, but ocean is body of water.
2. fur — claws — tail — **fin**  
Because: Three of them are parts of a land animal, fin is a part of water animal.
3. mammal — reptile — bird — **savanna**  
Because: Three of them are types of animal but savanna is a habitat they live in.
